

HOW TO BUY A BUS TICKET IN ROVANIEMI?

If you are visiting Rovaniemi, we recommend buying single tickets or 24-hour tickets. In case you plan to stay longer or you live in Rovaniemi and use buses on a regular basis, travelling is always cheaper with a value ticket or a season ticket.

Single ticket You can purchase single tickets on the bus in cash or with the most common bank/credit cards. The ticket allows you to transfer from one vehicle to another within 60 minutes.

24-hour ticket You can purchase 24-hour tickets at Osviitta Service Point (Shopping Center Rinteenkulma, Koskikatu 25, 2nd floor) or Matkahuolto (Lapinkävijäntie 2). The ticket is valid for 24 hours from the moment of activation on the bus.

Value ticket requires a Walmi travel card. You can load the card with a certain amount of money, for example 20 euros. The sum will be spent as the card is used. You can transfer from one vehicle to another within 60 minutes.

Season ticket requires a Walmi travel card. The ticket allows you to travel as much as you want for 30 days.

You can get and load the first Walmi card at Osviitta service point (Shopping Center Rinteenkulma, Koskikatu 25, 2nd floor), Matkahuolto (Lapinkävijäntie 2) or at Walmi online store (walmi.fi). The card can be reloaded at Osviitta, Matkahuolto, R-kiosks (Ounasvaarantie 15, Koskikatu 20, Pohjolankatu 13), on the buses and online.

Travel zones

Rovaniemi is divided into travel zones that radiate from the centre. The centre of the city, University of Lapland and Arctic Circle (Santa Claus Village) belong to zone A.

The number of zones you travel through during your trip will determine your fare. You can check the borders of your own travel area in a timetable book or online at linkkari.fi.
